

Falling In Love At A Coffee Shop
by Landon Pigg

I think that possibly, maybe I'm falling for you
Yes there's a chance that I've fallen quite hard over you.
I've seen the paths that your eyes wander down
I want to come too...

I think that possibly, maybe I'm falling for you

No one understands me quite like you do
Through all of the shadowy corners of me

I never knew just what it was
About this old coffee shop I love so much
All of the while I never knew...
Ahh...

I think that possibly, maybe I'm falling for you
Yes there's a chance that I've fallen quite hard over you.
I've seen the waters that make your eyes shine
now I'm shining too

Because, oh because
I've fallen quite hard over you

If I didn't know you, I'd rather not know
If I couldn't have you, I'd rather be alone

I never knew just what it was
About this old coffee shop I love so much
All of the while, I never knew
I never knew just what it was
About this old coffee shop I love so much
All of the while, I never knew

All of the while, All of the while it was you
You...
You...
You...

You've Got A Friend In Me
by Randy Newman

You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed
You just remember what your old pal said
Boy, you've got a friend in me
Yeah, you've got a friend in me

You've got a friend in me
You've got a friend in me
If you've got troubles, I've got 'em too
There isn't anything I wouldn't do for you
We stick together and can see it through
Cause you've got a friend in me
You've got a friend in me

Some other folks might be
A little bit smarter than I am
Bigger and stronger too
Maybe
But none of them will ever love you
The way I do, it's me and you

Boy, and as the years go by
Our friendship will never die
You're gonna see it's our destiny
You've got a friend in me
You've got a friend in me
You've got a friend in me

Pride (In The Name of Love)
by U2

One man come in the name of love
One man come and go
One man come here to justify
One man to overthrow

In the name of love!
One man in the name of love
In the name of love!
What more? In the name of love!

One man caught on a barbed wire fence
One man he resists
One man washed on an empty beach
One man betrayed with a kiss

In the name of love!
What more in the name of love?
In the name of love!
What more? In the name of love!

...nobody like you...there's nobody like you...

Mmm...mmm...mmm...

Early morning, April 4
Shot rings out in the Memphis sky
Free at last, they took your life
They could not take your pride

In the name of love!
What more in the name of love?
In the name of love!
What more in the name of love?
In the name of love!
What more in the name of love...

Hopeless Is As Hopeless Does
by Vigilantes of Love

atlanta sixty miles to go on a ghost-green sign
athens another seventy-five there on the backside
yeah, no brass band triumphant heard
flying home to love—maybe crawling's a better word

a bed of nails you can lie on if you want it
always an ax to grind with your name upon it

hopeless is as hopeless does
i love you i love you well just because

that's to say if i drown
let's not go into that now
eyes on Him i am found
there's a cross before the crown

hopeless is as hopeless does
i love you well just because
i love you well just because

yeah i fell asleep when you needed a friend
you were sweating blood and talking about violent ends
ah we're pulling swords talking real loud
pledging allegiance—yes, us bunch of cowards
